Subject: Accreditation Status Update

Dear Students,

Austin Kade Academy is committed to transparency, regulatory compliance, and the continued success of our students. We are providing this notice to inform you that, effective December 12, 2025, Austin Kade Academy remains accredited by the National Accrediting Commission of Career Arts & Sciences (NACCAS) with the institutional status of Accreditation on Probation.

This probationary status is related to Austin Kade Academy's 2024 annual financial statement audit, which occurred during a period of ownership transition. As part of the audit review process, certain year-end accounting entries and financial statement presentation items were adjusted. We are actively implementing corrective actions to address the cited requirements and to demonstrate continued compliance with NACCAS standards.

Please be assured that Austin Kade Academy continues to be accredited by NACCAS during this probationary period. We remain committed to maintaining compliance with applicable NACCAS standards, strengthening our internal processes, and supporting our students throughout their educational programs.

We are dedicated to your success. If you have any questions, please contact Lisa Webb at lisa@austinkade.com.

Sincerely,

Lisa Webb
