

Accreditation Status Notification

To: All Students and Prospective Students

From: Austin Kade Academy

Date: 06/24/2025

Subject: Accreditation Status Update

Dear Students,

We are committed to full transparency and regulatory compliance. Effective 06/18/2025, Austin Kade Academy has been placed on "Accreditation on Probation" status by our accrediting body, the National Accrediting Commission of Career Arts & Sciences (NACCAS).

This status is a result of our institution not meeting the minimum required placement rate for the 2022 reporting year, as set by NACCAS standards. Our posted 2023 placement rate meets the minimum requirements set by NACCAS, and our 2024 placement rate will be reported in November of 2025. It is our goal to continually maintain NACCAS requirements and standards.

Please be assured:

- We remain fully accredited by NACCAS during this probationary period.
- We are actively implementing a corrective action plan to improve placement outcomes.

We are committed to your success. If you have any questions, please contact Lisa Webb at lisa@austinkade.com.

Sincerely,

Lisa Webb
